NOTES

CURRENCY

~ all estimates herein are in Australian Dollars (AUD)

^ AUD estimate from New Zealand Dollars (NZD) using exchange rate 0.85 AUD to 1 NZD however actual exchange rate that applies at the relevant time will be applied

OFFICIAL FEES

< The official fees that apply are subject to the method of filing and or method of payment and or whether the specification of goods and or services in the application have been compiled using the official IP Australia official pick list that can be found at <https://tmgns.search.ipaustralia.gov.au/>

The lower official filing fees apply when the official pick list is used to formulate the specification of goods and services in the application.

TAXES

The fees do not include an allowance for domestic goods and services tax (GST) that applies to residents or those who have a place of business in Australia and or New Zealand (as applicable). If GST applies to the instructing client, then a GST allowance for GST liability should be added to the fees herein. The GST rate in Australia is 10% and in New Zealand is 12.5%.

FACTORS THAT MAY ADD TO THESE COSTS

>The estimates herein are for minimum cases.

A minimum case is:

1. where complete and clear instructions and information as specified in the minimum filing requirements set out on our website at www.spc0.au/aufmtm.php or www.spc0.au/nzfrtm.php under the heading "National Application" is provided to us at the time of providing filing instructions such that we can file an application without having to revert for clearer or additional instructions or information; and
2. the specification of goods and or services provided by the client has been compiled using the trade mark office official pick list at <https://tmgns.search.ipaustralia.gov.au/>; and
3. no objections are raised during examination as a result of a head start trade mark application process or a standard trade mark application process; and
4. no notice of an intention to oppose or any other 3rd party notice is received during the course of the trade mark application.

A minimum case does not include an allowance for:

- Australian goods and services taxes (GST) should they apply to our instructing client;
- any pre-filing or post filing searches, consultations and attendances should they be required by you, or be otherwise required or necessary;
- attendances and/or consultations due to unclear or incomplete instructions or filing information;
- a claim to priority;
- reporting adverse examination reports (if any) and subsequent consultation and prosecution costs;
- reporting an opposition by a 3rd party (if any) and subsequent opposition costs;
- sending reminders;
- bank charges (if any) for receiving payments from foreign banks if unpaid by instructing client.

Charges for these items and more information about GST tax liability and bank charges can be found in the corresponding schedule of fees from our firm.
