# Internal office disbursements and services for expedience (eg photocopying, telephone, internet access, email processing et al.) are charged on an approximated basis as a percentage of professional fees at the specified rate

< The official fees that apply are subject to the method of filing and or method of payment and or whether the specification of goods and or services have been compiled using the official pick list (or Nice classification) or not. Official fees are subject to change with time and the official fee that will be charged will be the fee that applies at the applicable time.

A current listing of Australian official fees can be found in schedule 9 of the Trade Mark Regulations 1995 at [Trade Mark Regulations Schedule 9 Fees](#)

**BANK CHARGES FOR INTERNATIONAL PAYMENTS**

Our fees are provided free of bank charges for receiving foreign payments. If you do not instruct your bank to pay bank charges (receiving and any intermediary banks) for processing and receiving international payments then an allowance of 30AUD for bank charges should be added to any proposed payment.

**TAXES**

The fees do not include an allowance for domestic goods and services tax (GST) that applies to residents or those who have a place of business in Australia and or New Zealand (as applicable). If GST applies to the instructing client then a GST allowance for GST liability should be added to the fees herein. The GST rate in Australia is 10% and in New Zealand is 12.5%.

**OUR FEES**

We reserve the right to vary our charges in cases of unusual length and/or complexity or in the case of incomplete or unclear instructions.
